"Time"
is a thing of
the past.
And the past is never
here.
For if the past were
here,
There would be no
present.
And if there were
no present,
there would be no us.
(and if there were no us,
there would be no time.)

HOMECOMING 1974

Seated, left to right: Sally Slade, Denise Kolesar, Janie Brandner, (Queen) Pam Gilbert, Teresa Cecere, Cindi Ketterer, and Carol Cox. Standing: Jerry Walls, Mike Crawford, David Kindness, Mike Howell, Mike Schroeder, Rick Rauck and Chris Jones.

An event that will be held in our minds throughout our lives is the 1973-1974 Homecoming. The theme was "Paper Moon" and it was magnificently portrayed through the decorations of the ceremony and dance.

The weekend festivities began as the seven beautiful girls escorted by their handsome escorts walked to the throne. There was a moment of excitement as Rob Weaver, the football co-captain crowned Pam Gilbert as our Homecoming Queen and John Mishes, the other football co-captain handed her the bouquet of roses. Then Chris Lazares, the 1972-1973 Homecoming Queen gave the traditional speech and congratulations to Pam. The festivities went on with the traditional Homecoming parade later that evening. It was very well attended and the class of '75 received the award for the best float. To wind a very lovely evening up the Taft Tigers defeated the Middletown Middies with a score of 9-8.

The weekend came to a close and the festivities ended Saturday night with a beautiful dance in honor of Queen Pam Gilbert and her court.

Seated: Pam Gilbert. Standing: Chris Lazares.

Varsity Football Squad: First row, left to right: Bill Steed, Doug Sloneker, Doug Dole, Greg Kilgore, Steve Goebel, Steve Noble, Tom Stephenson, Mark Hamilton. Second row: Gary Bennett, Tom Fitton, Ed Cornett, Rex Bucheit, John Mishos, Ralph Kuykendoll, Rob Weaver, Tim Herrman. Third row: Dave Morner, Don Mullins, Steve Rose, Greg Ervin, Renay Jones, John Green, John Jonson, Chuck Leyer. Fourth row: Joey Turner, Mike Thier, Jim Henry, Jim Jones, David Price, Gary Marinich, Jim Powell. Fifth row: Coach John Kolley, Head Coach Demus Jones, Coach Bill McCormick, Coach Mike Simmons.

The Taft "Tigers" have improved their season record from the previous year by compiling a 5 win—5 loss record. Despite the "Tigers" only returning 3 starters from last year's team, they were able during the season to gain the necessary experience and become a respected football team in the Greater Miami Conference as well as in the area.

The "Tigers" opened up with a big victory over Cincinnati Aiken. Tim Herrman's field goal and Steve Noble's running contributed to the win. The second game was one of many exciting games this season. Talawanda pulled out a victory 20-22, with only several minutes remaining in the game. Bill Steed, Doug Sloneker, Mark Hambleton, and John Mishos performed exceptionally well despite the loss.

Defeating Fairfield 7-6 was a defensive struggle which found both teams having difficulty moving the ball. The Taft score resulted from Rob Weaver's blocking a punt in the end zone. Ralph Kuykendoll and Greg Ervin played well in this win.

Taft visited Lancaster for the fourth game. The trip was in vain as the Tigers lost 28-7. Standouts offensively were Chuck Leyer and Gary Bennett.

The fifth game was another away game, finding Taft playing Princeton during their homecoming. Contributing to the 41-0 loss was Taft's 13 fumbles.

Records Tied or Broken

Longest Field Goal: 36 yards by Tim Herrman.
Longest Scoring Play: 91 yards for TD on run by Steve Noble.
Longest Pass Play: 60 yards Garfield game—Doug Sloneker to Doug Dole.

The Tigers reversed themselves at their own homecoming by defeating Middletown, 9-8, a very strong GMC rival. It was another defensive battle with Tim Herrman's 3 field goals aiding the cause. Tom Stephenson caught a key pass on a scoring drive.

The seventh game was a very exciting game with cross-town rival Garfield. Again the Tigers visited their opponents during homecoming and we came out on the short end, 14-13. Doug Dole and Mark Hambleton played well despite the loss.

The eighth game was another thriller with Monroe. This time the Tigers pulled out a victory, 21-20, after being behind most of the game. Steve Goeble's blocking and Greg Kilgore's and Bill Steed's aggressiveness played key roles in the win.

Lakota was Taft's ninth opponent. It was another tight victory for the Tigers, 7-6. Steve Noble scored on the longest run in the school's history. This 91-yard run was aided by key blocks by Doug Dole, Bill Steed and Tom Fitton.

The final game was a lost to Badin, 32-0.

The season was not on the winning side of the ledger, but it resulted in some exciting football for those in attendance. This excitement can be attributed to the extreme desire and determination exemplified by our athletes.

Coach, Coach
Sure is Sweet

Who would replace the five good seniors lost by graduation? What kind of team would the "Taft Tigers" have in 1973-74? These power questions were answered in a traditional Taft manner. "Big" Ed, Bryan "G", Ron Martin, Chuck Menche, Phil Griesinger and Senior "Satch" Sanders answered early, after an opening loss, by winning 14 games in a row. This winning streak was second only to the 27 in a row of the 1962 State Champs. The Taft Tiger team of 1973-74 finished the season with a very good record of 16 wins and 3 losses, a most respectable achievement in anybody's league. For the third straight year the Taft team was co-champ of the ever strong G.M.C.; for the third straight year Taft broke into the top ten in ratings and remained there through the final poll; and for the third straight year, Taft was seeded number 1 in the Oxford District tournament.

1973-74 was a great year for Taft seniors, Tony Sword, Dennis Gadd, Don Trumbull, Greg Cecere, Craig McGuire, Tim Rankin, and Mark Sanders.

Indeed, the 1973-74 team has left a fine mark to add to Tafts incomparable basketball tradition.

This year the girls have done very well which is shown by their 7-1 record. Much of this is due to our five seniors that we will be losing. They are Tari Wilks—1st singles; Marcy Maurer—2nd singles; Melanie Demoret—1st doubles; Cindi Ketterer—2nd doubles; and Pam Lorance—2nd doubles. Also responsible for their success are four juniors and one sophomore. The juniors are Bunny Blankenburg, Sherri Newton, Susan Green, and Sarah Braun. The sophomore was Janie Sanders.

This year the girls came in second place in the GMC. They worked very hard and were a very close team.

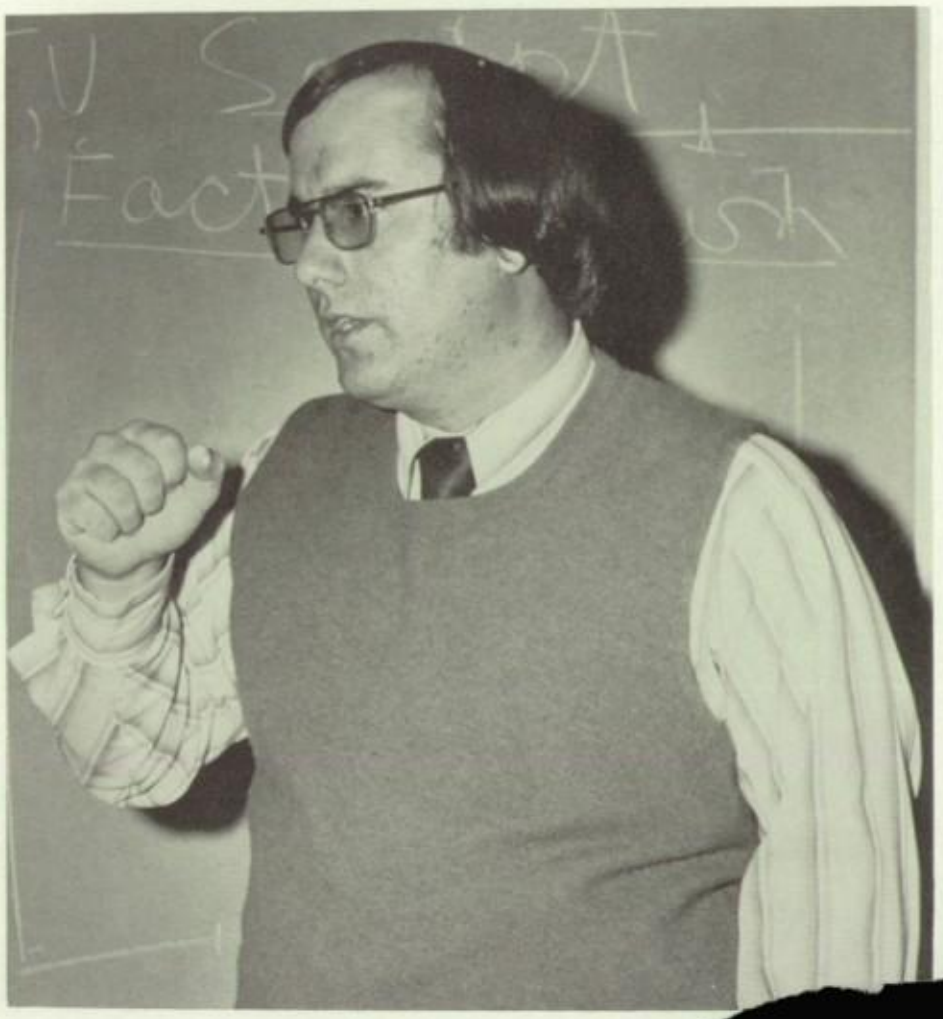
FACULTY FUNNIES

Don't give me that "my dog ate it".

"OH, MY GOODNESS"

You've got to be pulling my leg.

I really cleaned up on that deal.



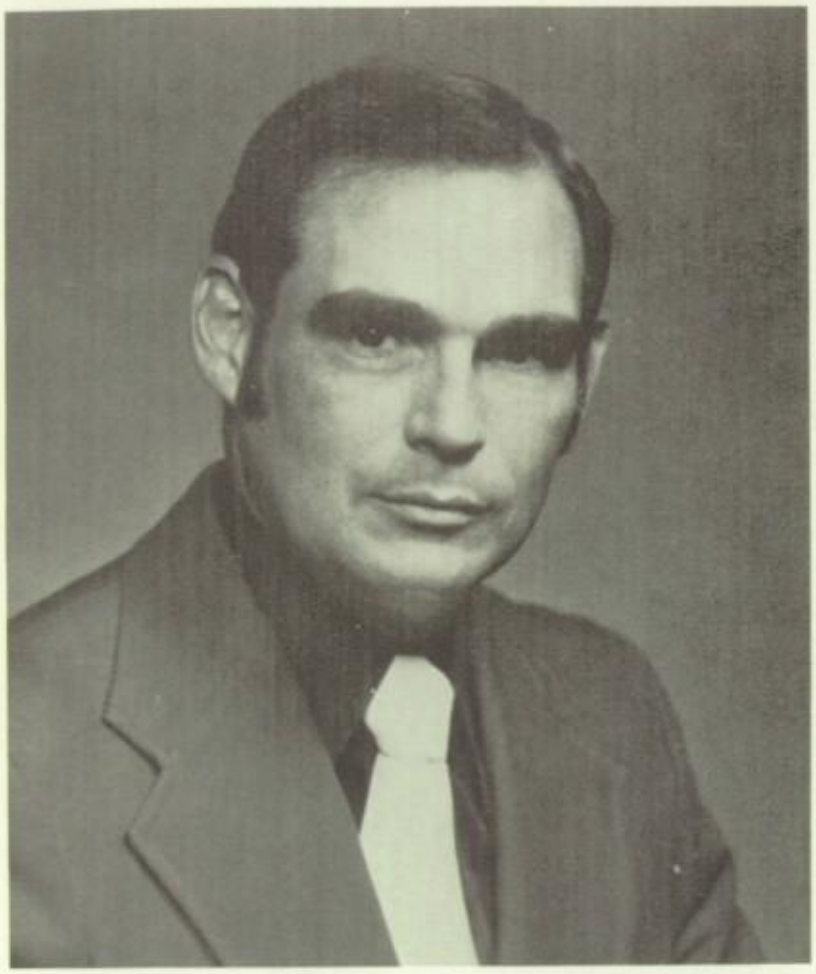
Now get out there and shoot them

"Really Santa, I was a good boy."

"How Interesting!"

"We're ONLY rated 7TH!"

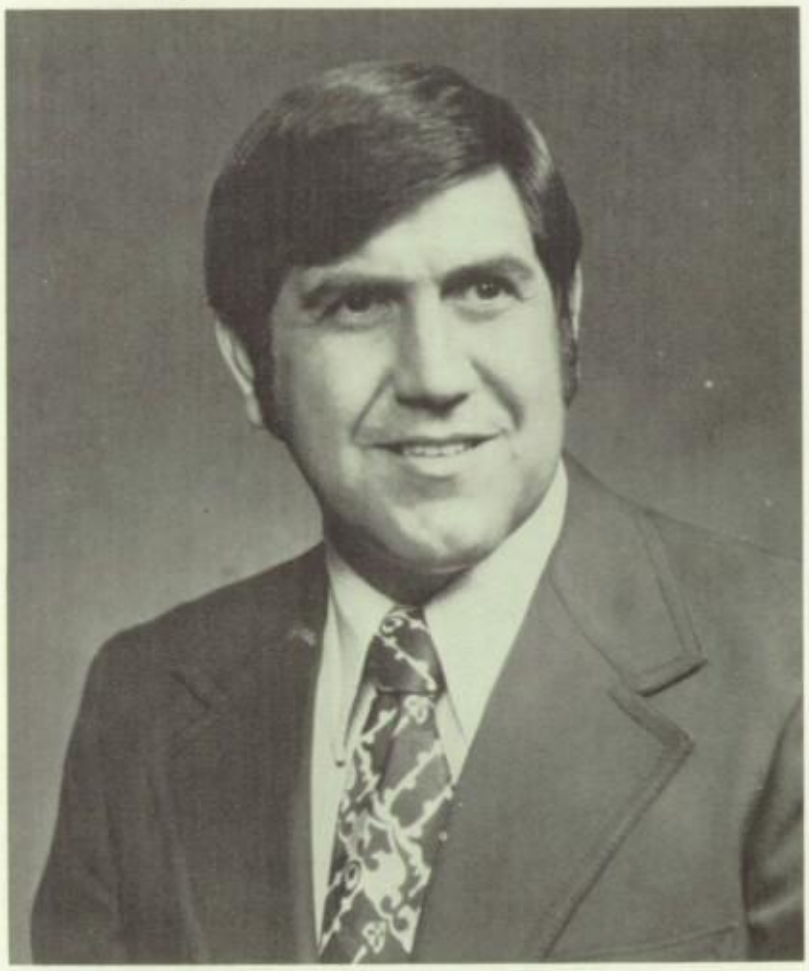
"Have the results from my screen test come back yet?"



As the mood of the country drifts more and more into the realm of nostalgia, so does the 1973-74 Talisman lend itself toward that end. Some of you may never pass this way again, but the sentimental treasures of days gone by will be recorded herein to once again touch a vibrant chord of the happiness of this your final year. As time goes by, the negative events will slowly slip from your memory and be replaced by the good time you shared with your friends.

It is my hope that as you read through the pages of your final year in school, your blessings will be many. You have made several contributions to your school and from the leadership ability expressed in these contributions, America can expect much from you.

Jack L. Maddox



"If only I were back in high school again." These words may be uttered by you soon. We are extremely proud of Taft and all it means scholastically, athletically, and socially. It is my challenge to the students of Taft to make the most of your school days. Be actively involved in each of the areas. Live your high school life to the fullest for "we shall never pass this way again."

Maurice E. Miller

Life is change. Spring gives way to summer; summer yields to fall, and fall bows to winter. Age yields to youth; old styles fade as new modes of fashion arise; great oaks shed their acorns to start new growth.

As Winston Churchill so aptly put it, "The New World with all its power and might, steps forth to the rescue and liberation of the Old."

Each man, as he "Struts and frets his hour upon the stage and then is heard no more," can expect to experience the opportunity of living here but once.

Seniors at Taft, now is your hour. May you use it wisely and well!

"BUGS!"—12th ANNUAL

"BUGS!" A Premier Performance of a Brand New Play by Stephen A. Williams

The Taft Drama Dept. was quite privileged to have the opportunity to present the premiere performance of a new play . . . "BUGS!".

The 12th Annual Janet S. Markoff Children's Play was an entirely original attempt by a former Taft student, Stephen Arthur Williams. Steve, a senior theatre major at Miami University wrote script, music, and lyrics for this year's production.

Steve consulted and helped on almost every facet of the play and certainly helped to make our production the success it was . . . The students involved in this production put in hundreds of hours of very fine work, and I believe, through their efforts, "BUGS!" was the biggest success the Taft Dramatics Dept. has ever had!

The attendance for all performances showed a marked increase over past years. (yea for Joanne and her Publicity crew) Both Friday and Saturday night performances saw almost capacity crowds this year. An additional morning performances was added to push the total to over 2,300 children who were able to see this production. Weekend attendance was over 1,300!

Many facets of the production deserve special recognition . . . I'd like to mention those special people who made the difference. Costumes were fantastic. Miss Danajean Cicerchi (a senior theatre major at Miami U.) designed our costumes and gave advice. Nancy Ayres and her great crew did a beautiful job on costumes.

Our set was the most colorful and exciting we've ever had. Dave Jones and his crew along with help from our friends provided our fantastic setting.

Music, written by Steve and arranged and conducted by Doug Beazley added the max "sound" difference to the entire production.

The great thing about this play, or any other play, is that so many people with many diverse personalities and abilities can come together, pool their energies and come up with a beautiful experience which it was . . for all of us . . and most of all . . . for the audiences . . . Thanks to all of you who made it happen and especially thanks to you Stevette . . .

Sincerely,

Q.

"WE'VE COME A LONG WAY"

We've come a long way . . . since the first Distributive Education class was organized in Hamilton back in 1941. We have seen the concentration of downtown business move to the shopping centers, west, east, and south of town. We have seen the retail trade change from a predominately customer service—personal sales operation to the now popular self-service style. Accordingly, we have changed our emphasis from the "sales" to the merchandising phase of distribution. In today's D.E. classroom we stress the importance of the marketing or merchandising function in the distribution of goods or services. Indeed, "we have come a long way"—almost full circle; we may see a resurgence of business downtown if gasoline stays in short supply for any length of time.

Debate at Taft High School is considered as one of the most respected and popular programs within our total curriculum. Debate has provided our young students a degree of mental and social maturity they might not have achieved elsewhere. The seriousness of our debate program is reflected in the compilation of the following facts: (1) Our debaters have spent long hours at University libraries compiling over 16,000 entries in their card file, (2) They have competed in numerous local, state, and interstate competition by invitation, (3) They have traveled approximately 4,000 miles and still have the state and national meets to attend, (4) They host their own invitational, (5) Success of the program is indicated by our filled trophy case of 40 trophies plus having graduates debating on the college varsity level, and former debaters returning to help supervise our program. The influence of the Taft Debate program has been immeasurable within the school and the community.

6 x 4 x 2 = Art!???

You're upper plate should fit perfectly now, Lisa.

I hope my rooms are big enough.

Boy, I need my glasses.

Boy it's great to be great!

I passed the polkadot class.

CREATES . . .

Will she ever fly?

All this work for my mommy.

Will my Prince Charming come on him?

What a mess!

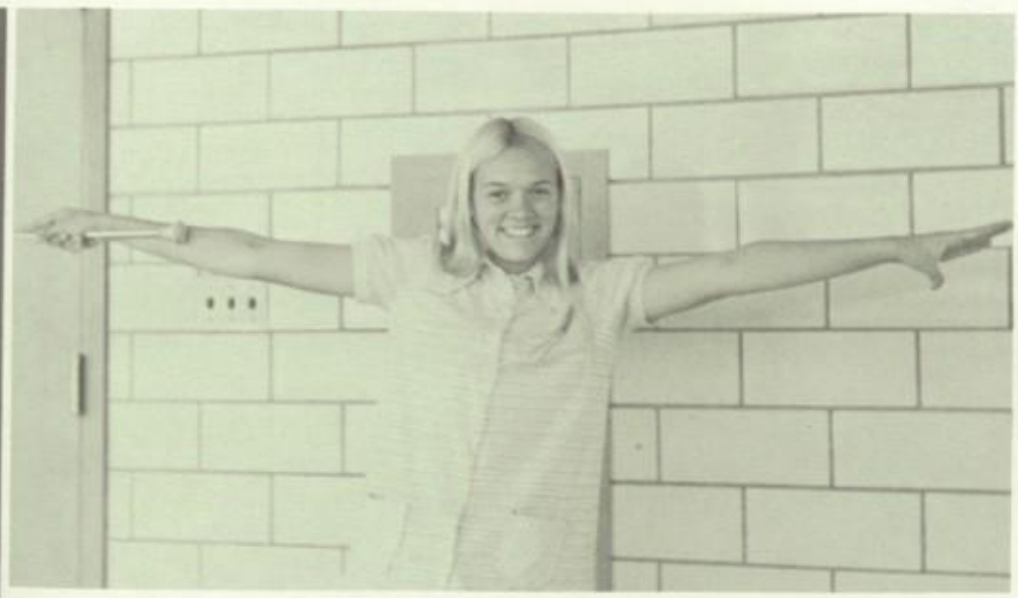
I hope I don't look like her when I grow up.

Cindy pours with a little assistance.

Want tuh neck?

INDIVIDUALISM

That's gotta be the worst joke I've ever heard.



You better hurry, I can't stay like this forever.

I wonder if he'll like it.

Boy, he's got class.

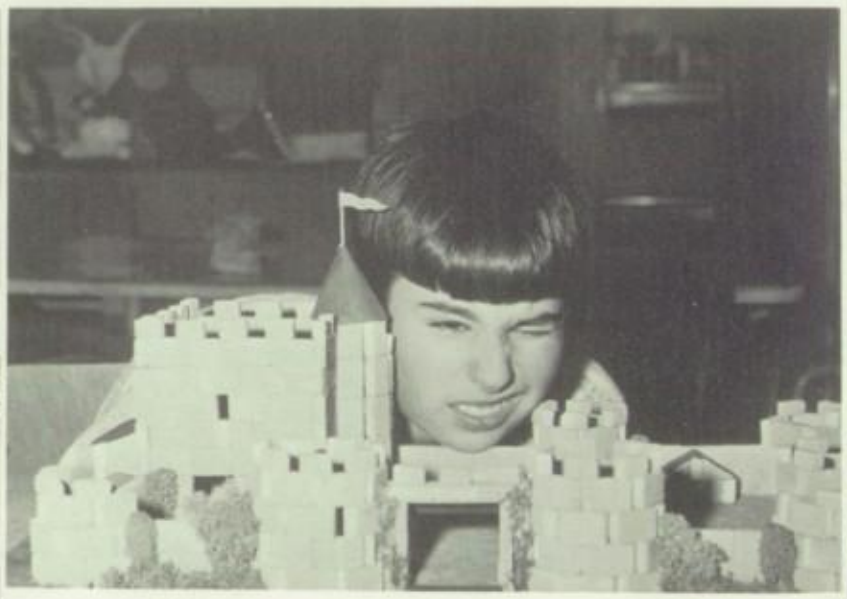
What a rotten time to be on a diet.

AROUND TAFT

Sounds like fun, but don't tell mama.

Unless they've studied . . . . .

If Mrs. Moore ever finds out—



If I aim just right the WHOLE thing will go.

This is the worst subject I've EVER taken.

Should I???

Sitting, left to right: Delores Noble, Darlene Norris, Lana Field, Karen Meissner, Gail McMahan, Connie Gillespie. Standing: Char Huesing, Francy Davis, Kathy Kalivoda, Mary Strodtbeck, Becky Long, Robin Ware, Marc Mathews, Leslie Augustin, Mickey Wagers, Lisa Rezac, Therese Sheard, Mr. Aufranc, Nancy Arnold, Terri Lepera.

The staff pictured above represents the 15th group to pull together a "Talisman" for Taft. Some special credit should be given in some areas. Delores Noble and Connie Gillespie started the year as Co-Editors and worked well as a team. Connie was forced to give up her role mid year for the responsibility of outside work so Therese Sheard capably filled in for her and was of invaluable assistance. Karen Meissner was our Art Editor and did excellent work. Gail McMahn was the Business Manager and performed capably in that department. All staff members helped immeasurably to complete our 15 volume by our allotted time.

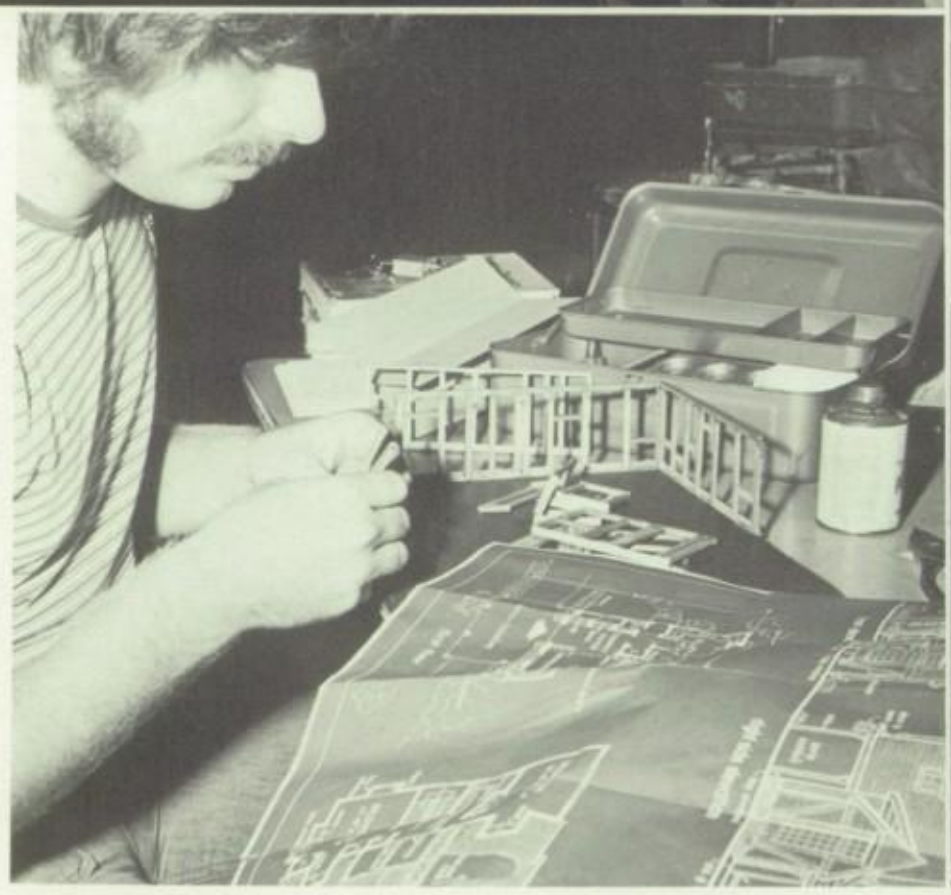
AROUND TAFT



VOCATIONAL EDUCATION

L. to R.: Doug Ingram, Greg Bower—Auto Shop

Career education has emerged as one of the high priority program areas within our schools. In fact, practically all learning today has "career" implications. Throughout our Nation, we are beginning to recognize the importance of providing all students, from early childhood through high school graduation, the opportunity to make sensible career decisions, and to provide specific instructional programs for those students who plan to enter the work-world after graduation.

Within the Hamilton City Schools, many "Career Education" services are provided. For example, vocational guidance coordinators work directly with students and teachers to provide assistance in the scheduling of resource speakers and tours, acquiring career information, testing and providing direct counselling, and helping students in finding initial jobs.

Cooperative education programs are offered in Cooperative Office Education, Distributive Education, Cooperative Home Economics, and Occupational Work Experience. In these programs, students have the advantage of the actual on-the-job experiences with related in-school studies. Comprehensive Home Economics provides opportunities for in-depth study in various homemaking skills, linked with meaningful home or community projects. Students interested in business careers may elect to study Intensive Office Occupations or C.O.E. Many students enroll in trade and industrial education programs in the areas of auto mechanics, carpentry, drafting, electronics, machine trades, and welding/metal fabrication.

As we look to the future, we envision more career awareness and exploration opportunities for our elementary and junior high school students, and an expanded in-depth program at the high school level to provide more information and options for all students within our schools. Ultimately, career education will provide for students a pattern of continuous progress as they become aware of, explore, and gain in-depth skills in their chosen vocations.

BAND ACTIVITIES

The 1973-1974 Taft Marching Band began its season in August by attending a band camp near Morrow, Ohio. This week-long camp of intensive drilling and musical rehearsals created much unity and spirit amongst the band members, and provided the spark which stimulated a hard-driving and high-stepping marching unit. The band, led by its director, Mr. Robert Robuck, and his assistant, Mrs. Mary Shie, performed at nine football games and four parades during the fall season, including a long-to-be-remembered Halloween Parade, "Operation Pumpkin." The Taft Majorettes, the Tigerettes, and the newly-organized Flag Corps helped greatly to generate spirit within the Marching Band.

At Christmas-time the Concert Band presented its first concert, a program of traditional and religious Christmas selections. Later in the season the Band presented its second annual Winter Invitational Concert. Professor Jack O. Evans, retired director of the Ohio State University Marching Band, was the guest conductor for this formal band concert.

In February many band members journeyed to Oxford to compete in the annual Solo and Ensemble Contests, and on March 30, the entire Concert Band competed in the District Band Contest, at Forest Park High School.

Rounding out the year for Taft bandsmen was the appearance of the Pep Band at Home Basketball games, and the Jazz Ensemble at the Winter and Spring Concerts.

The Chorale is a highly select group of junior and senior men and women chosen for their talent in singing and compatability with their fellow students. The Chorale performed at all Vocal Music Department concerts as well as the "Gloria" concert and appearances at various other choral music concerts throughout the year.

The Choral Union is a new group to Taft this year and is made up of students who like to sing but do not want to audition for the select group. The Choral Union participates in all concerts of the Vocal Music Department and participates with Men's Chorus and Women's Chorus in contest activities.

MUSICAL NOTES

The Taft Treble-Aires is a highly select group of juniors and seniors selected from the Chorale to perform for social and community activities. The group specializes in "pop" or rock music in its performance and provides entertainment for many school programs also.

The Men's Chorus is made up of sophomore men combined with the men of the Choral Union, and the Chorale. The Men's chorus participates in all Vocal Concerts as well as District and State Contests.

The Women's Chorus is made up of sophomore women interested in singing. For the concerts, the sophomores perform alone; but are combined with Choral Union women and some Chorale women for contest activities on the District level.

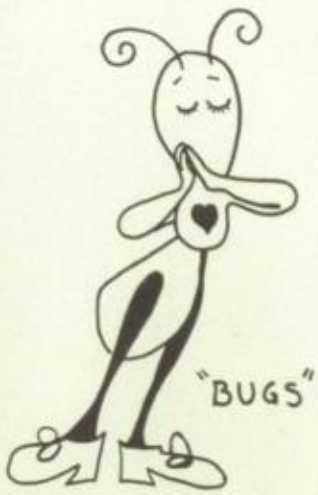
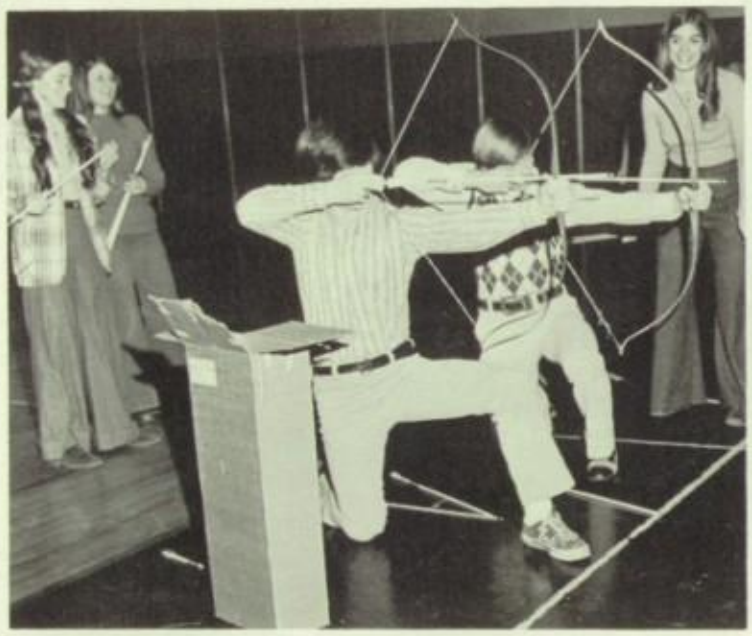
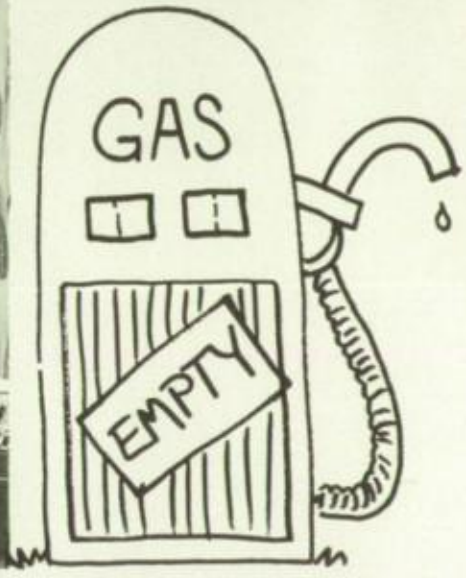
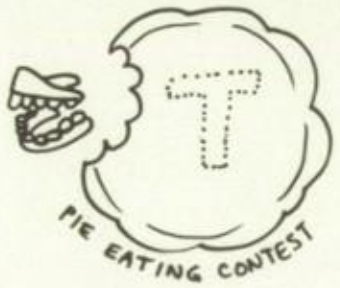
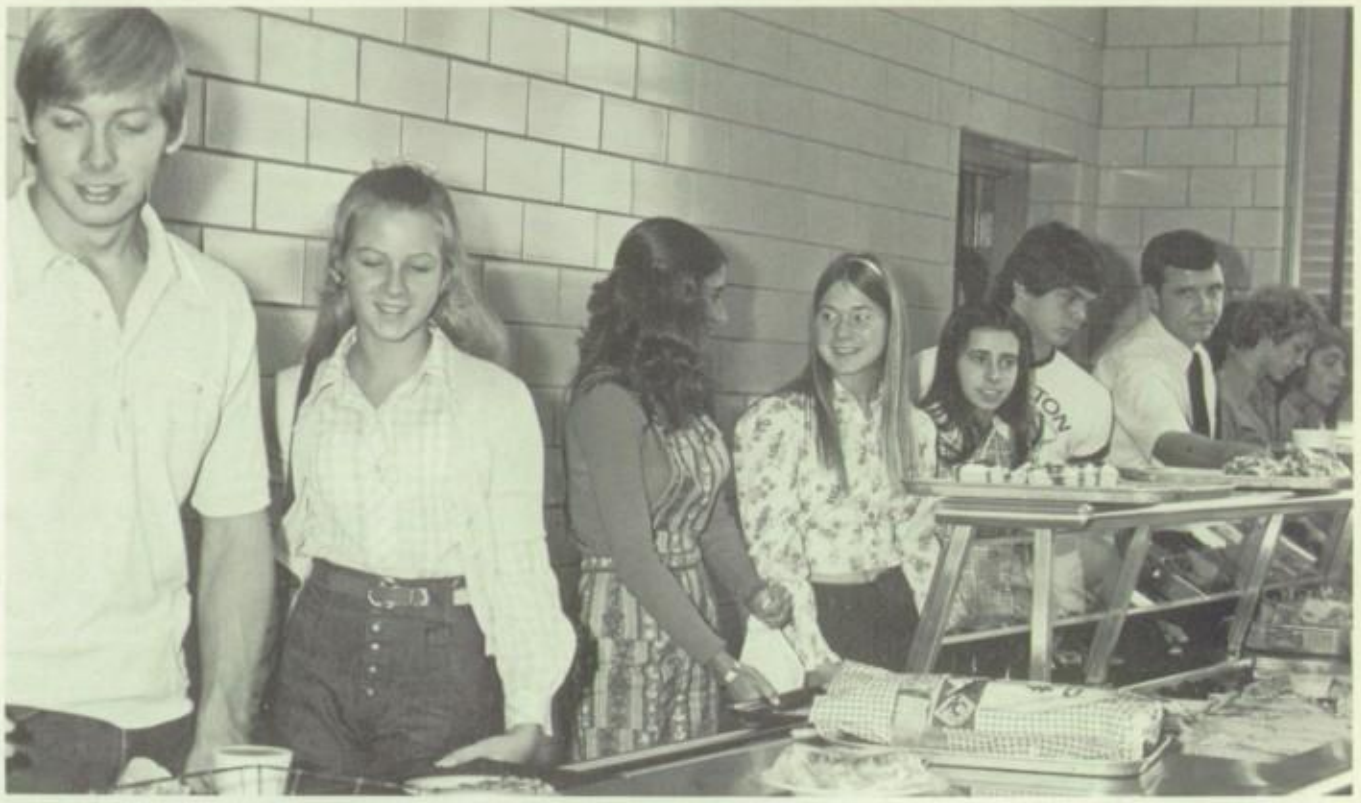
HAPPENINGS ABOUT TAFT











The 1974 Yearbook Staff wishes to express our thanks to the following people and firms for their help and support that made this 15th "Talisman" possible. We thank our advertisers for their support. We thank Mr. Robert Buring and Mrs. Betty Megerle of Osborne Studio for their invaluable assistance. Mr. Maurice Child of I.C.P. for his help and suggestions. Mr. Gary Aufranc for assistance in pictorial sports coverage. Mr. Myron A. Aufranc for his photography, guidance and assistance.

Our endeavor was to tell it as we saw it—as it happened—to follow the theme. Others have passed thru—others will pass thru—It goes without saying the results are many and varied—Some we comprehend—some we do not—but we report—. Perhaps it can be partially summed up this way—

"I shall not pass this way again. Any good thing that I can do, or any kindness that I can show, let me do it now! Let me not differ it or neglect it. For I shall not pass this way again."
